Looking for a few good sponsors!

The monthly meeting luncheon sponsorships are filling up fast, thanks to the generosity of our members. At this point we have every month spoken for except September and October. Benefits of sponsorship include prominent posting on the Chamber website with your logo or other ad during the entire month of the sponsorship, a few minutes during the meeting to talk about your business and pass out brochures or other information, and if you wish, you can take the leftovers with you back to your place of business or home because the catered food is brought all set to travel. If you would like to sponsor September or October of this year or a month in 2012, please give me a call or e-mail and claim your time. Cost is \$250.

Passing Along a Thank You

The Oklahoma Prosperity Project, a program of the State Chamber, sent us a letter thanking the Board of Directors and the members for their participation in the 2010 elections; this area showed a huge increase in the number of voters in this election as compared to the 2008 numbers.

April Evening Social Postponed

The evening social planned for April has been postponed till May; we don't have a firm date yet, but we will get the information out as soon as that has been decided.
